

49.7. It has come to my recent attention by an attorney Anthony Brink that a serious complaint was lodged against Judge President Mlambo. I do not have the full details of this complaint but I am reliably informed that the complaint is about his alleged involvement in lobbying to have Ms Noxolo Maduba assigned to be a member of the JCT. He is not the Chief Justice to have tried to influence the involvement of Ms Maduba in my complaint. The full extent of Judge President Mlambo's involvement on this issue is not

A handwritten signature in black ink, consisting of a large capital 'O' followed by several loops and a long horizontal stroke.

known to me, the JSC will provide full details thereof, but I believe it is appropriate that to the extent known by Judge President Mlambo, he should have disclosed his involvement in trying to influence the members that would form the panel against me.
