Dear Stewart

I refer to my unanswered enquiry a week ago, and repeat my question:

Has the JSC responded to or even acknowledged:

(a) your referral to JSC chairperson Maya CJ of my complaint to the PP that the JSC had failed to resolve my judicial misconduct complaint against Poyo-Dlwati JP, now more than two-and-a-half silent years since I lodged it; and,

(b) your email three weeks ago in which you reproached the JSC for not responding to or even acknowledging the referral, to wit:

*It is disheartening to receive a complaint from the same Complainant on the same issues, stating that the Office of the Chief Justice has not assisted him with his complaint. See attached email from the Complainant (Anthony Brink). When the Public Protector refers a complaint to the institution affected by the matter, we expect that institution to assist the Complainant and not to ignore our referral of the complaint. See the attached referral letter with full contact details. We hereby implore your office to act accordingly and carry out the request as per our referral letter attached hereto. We have also attached a read receipt indicating that our referral letter was opened and read. In addition, we did send a follow-up email requesting a formal acknowledgement of the referral, as per the trailing email below, but the writer's communication was ignored. Kindly but urgently acknowledge the communication and assist the Complainant, copied herein.*

The PP's referral of the complaint appears to have failed, and unless we get some reassuring feedback from the JSC shortly, I propose filing an application with the PP for the review of its misfired decision to refer back to the JSC my complaint about its unreasonable and unlawful long inaction on my judicial misconduct complaint.

For easy reference, you'll find all documents in the matter accessible here:  
[illegal-aid.co.za/JSC/Poyo\\_Dlwati\\_ADJP](https://illegal-aid.co.za/JSC/Poyo_Dlwati_ADJP).

Looking forward to hearing from you please.

Sincerely  
Anthony Brink

Dear Stewart

In your email of 28 July, you informed me:

*We have attached the letter to the Office of the Chief Justice.*

*We have also attached the read receipt, and we will provide their acknowledgment as soon as we receive it.*

Six weeks later I've heard nothing from the OCJ in this matter.

Did the OCJ acknowledge your referral of my complaint?

If so, please provide me with its acknowledgement, as undertaken.

All the best  
Anthony

**Subject:** Re: Your complaint-Judicial Conduct Committee

Dear Stewart

Seeing as my complaint to the PP arose precisely from JSC chairperson Maya CJ's failure to have responded to my appeal made directly to her to see to the JCC's decision of my long-unresolved complaint against Poyo-Dlwati JP, the PP's decision to refer the matter back to her and close its file, instead of pending the matter for her response, is obviously wrong, irregular, and reviewable.

Nonetheless, the PP's nudge of the CJ to get things moving will probably achieve this.

In which case I won't need to trouble the PP again.

I'll wait and see.

In the unlikely event that the JCC neglects to deal with my said long-outstanding complaint in the next three months, despite the PP's nudge, and presumably the CJ's in turn, I'll request an internal review of the PP's handling of the case within the 90 days allowed me by Rule 44(1) of the PP Rules.

For my records, and for use in my review request if the need arises, please furnish me, by the end of this week, with (i) the PP's letter to Maya CJ referring my complaint to the PP to her, (ii) the PP's covering email or other delivery voucher, and (iii) the CJ's acknowledgment if any.

If you want me to file a formal PAIA request for these records, let me know.

Sincerely

Anthony Brink
