Dear Stewart

Still no word from the JSC, even after conveying to it your news that my complaint had been escalated to senior management, so here is my appeal against the unsuccessful referral of my complaint.

Please acknowledge receipt.

Thanks

Anthony

Good day Anthony

I am very sorry it had to come to this point.

I have attached the Public Protector's Review form for you to complete and submit to Registration2@pprotect.org and copy Mlandeli Nkosi at mmandelin@pprotect.org

Once again, it is unfortunate that our correspondence to the OCJ was in vain.

Warm regards

**Adv Stewart Baloyi**
