Dear Sir,

Case No. 9408/2011, Pietermaritzburg: Andre Grundler v Body Corporate of Lot 2371 et al, was handled by you instructed by Premrajh & Associates.

Do you have contact with Premrajh. We have a similar case. Or are you able to handle with another attorney. Advise.

Dear [Redacted]

Thanks a lot for contacting me, but for a number of reasons I'm just not placed to take the case on. I've no contact with that attorney; it was a single brief from him a decade ago. Since the principles applicable were covered in the judgment, any capable and motivated legal team should be able to handle the matter.

All the best  
Anthony Brink
